NFCSS Mission Statement:
Social studies educators teach students the content knowledge, intellectual skills, and civic values necessary for fulfilling the duties of citizenship in a participatory democracy. The mission of the Niagara Frontier Council for the Social Studies is to provide leadership, service, and support for all social studies educators in all eight Western New York counties.

What is WNY History Day?
Western New York History Day, a year-long educational program sponsored by the Niagara Frontier Council of Social Studies (NFCSS), it encourages students to explore local, state, national, and world history. After selecting a historical topic that relates to an annual theme, students conduct extensive research by using libraries, archives, museums, and oral history interviews.

I like the dreams of the future better than the history of the past
