

# Bring the World to Your Classroom with

## WHAT IS PBS LEARNINGMEDIA?

PBS LearningMedia ([www.pbslearningmedia.org](http://www.pbslearningmedia.org)) is a dynamic website that offers PreK-12 educators free access to thousands of resources that enrich classroom instruction and bring lessons to life with engaging content from PBS Member Stations and partners. These digital tools are designed to complement classroom instruction—from videos, interactive lessons, and media galleries to lesson plans, images, and primary source materials.
